

ANNOUNCEMENT

COVID-19 UPDATE -- (March 13, 2020)

Dear Willow Tree parents, students and staff:

We would like to keep our Willow Tree family updated as to our action plan dealing with the COVID-19 outbreak.

The safety and well being of our students, parents and staff has always been our number one concern over the past 20 years. While we have no immediate plans to close the facility, we will close the gym if, and when Greater Latrobe School District closes. We will continue to monitor their decisions and inform you immediately.

We have always done our best to sanitize equipment, keep bathrooms and kitchen area clean, as well as provide hand sanitizer to all who enter the building and we will continue to do so. The gym and the equipment are throughoughly cleaned and disinfected at least once a week and we will continue to do so.

You can also help minimize the possible spread of infection by reminding your children to wash their hands often and to not share water bottles or utensils, etc., with others. Please keep them and any family members home who have any signs of illness. We also advise limiting the number of spectators during classes.

If you would feel more at ease keeping your children home during this time, we do understand and will have a special make up policy available soon and a more comprehensive plan if we do close.

Please keep checking the website, Facebook and Instagram for updates.

Thank you for all your support in dealing with this unusual and ever changing situation.

Sincerely,

Willow Tree Gymnastics
