Thank you for your patience and for supporting our meet this year! We have taken as many steps as we can to minimize risk of COVID exposure during your attendance while affording your child some normalcy through sport. Below, we have outlined some of what to expect.

- We will be using the gym area and the Fieldhouse area for competitions (25,000 sq ft) and the front warehouse for awards.
- Please do not arrive before the check-in time.
- In an effort to space things out, please be advised the spectators may also find it necessary to move seats between events. Chairs are not permitted to be moved.
 - Limit of two total spectators per athlete. Anyone over 6 months of age counts.
 - Masks are required inside the building at all times by everyone, with the exception of athletes on equipment and the physically distant snack area. If you do not wear a mask you will be asked to leave. You will NOT be permitted inside the meet if you refuse to wear one.
 - The double glass doors will be used as the entrance only.
 - The front warehouse door or the side fieldhouse door will be used as exits.
 - Very limited concessions (drinks/simple snacks) will be available however food must be eaten in the snack area only.
 - Volunteers will be on hand to ensure masks are worn properly and to help alleviate large clusters. Please extend courtesy to your fellow attendees by following the CDC guidance.
 - Please do not enter the competition floor for any reason. The viewing areas will be clearly marked.
